3. On 12 August OC officers will meet with officers from DOD's Nuclear Weapons Management Plan, Intelligence Group, to present an OC-developed statement of requirement for a contract study of measures to enhance the survivability of the CIA communications network in a nuclear stressed situation. If our proposal is accepted, DOD will transfer \$300,000 to CIA to fund the study and OC will serve as the Contracting Officer's Technical Representative.

period. More recently the caller placed 1,997 calls from 2-8 August. The caller has been identified; however, after threatening to take his telephone out - which only further agitated the man - C&P union workers went on strike.

6. The Communications Workers of America strike has also seriously curtailed or halted all work on the installation of the Dimension telephone systems at Ames, Chamber of Commerce and Key Buildings.
